THE SPECIALS*

Enjoy treatments created for those looking for different sensory experiences.

CHAMPI HEAD MASSAGE • 50 MINS 75€

Champi is the ancient therapy of massaging the head in India, also known as Indian Head Massage. The treatment focuses on massaging the scalp, face, neck and shoulders. Coconut oil is used in this treatment, as it has nourishing and hair strengthening properties. Together with sandalwood it promotes a greater state of calm, reducing possible states of anxiety, headaches, migraines, among other benefits.

BACIAL, THE BACK FACIAL • 50 MINS 85€

Treatment specifically formulated for the back. It includes a deep cleanse with natural soap, massage with grape seed oil, exfoliation with sea salt and raw materials from the island and a natural kaolin clay face mask with great moisturizing power. While resting with the mask, get a scalp or legs and feet massage.

INDIAN AYURVEDIC MASSAGE • 90 MINS 130€

Ayurvedic massage combines the 5,000-year-old Indian principles of Ayurveda—the science of life—and pressure points. This therapy is known as an “oil massage” because it incorporates rhythmically massaging warm herbal oils over the body to release toxins and relax the nervous system. As the oils sink gently into the skin, you will experience deep rest, nourishment, and rejuvenation.

“SENHORA DA ROSA” • 1H30 150€

Start an aromatic journey with your choice of Essential Oils: lavender, orange, or lemon.

Focusing on the shoulders, neck, scalp, face, and feet, this restorative treatment will allow you to soothe body and mind after a trip, reducing the effects of jetlag.

The treatment includes massage of the specific areas, cleansing and massage of the face with rice powder, and exfoliation of the feet with Volcanic Lava.

Lavanda – calm/relaxing

Orange – tonic

Lemon - purifying

MUSGO BLISS • 2HRS 180€

The perfect combination between the Signature Musgo body treatment and a mini facial.
